The role:

A rare and incredibly exciting position has arisen in this growing school for an exceptional Head of Sports. This role will lead the PE team and inspire and enthuse students to engagement in extracurricular competitive sport. Alongside this, the role will be central to the design, development and success of the Kings Sports Hub. This incorporates the new full size 3G pitch along with the current budgeted development of a 200 square metre gym and cafe, baseball diamond and Padel Tennis facility, alongside our pre-existing gymnasiums and pitches. It is an incredible opportunity.

Our school is built upon the ideas of hard work and kindness, two values that permeate and underpin the day to day work of students and staff alike.

This role is central to the continued development and growth of the school. We would welcome visits from potential applicants.
