

October 2021

Dear parent/carer of Language students in Year 7,

I hope that this letter finds you well and trust that your son/daughter has settled in well to Kings College and has enjoyed the term so far.

As you know, your son/daughter has studied both French and Spanish so far this school term. We believe it is important for students to study both languages early to help them decide which language they would prefer to focus on in future.

After half term we then look to focus students' language studies on either French or Spanish so that pupils can study one of them in more depth and prepare for their Language GCSE.

Whilst we cannot guarantee that all students will be allocated their preferred language, I would like to ask you to identify, via the online form link below, which language your son/daughter would prefer to continue studying going forward. <https://forms.office.com/r/yH6HZJR0cx>

It is an important decision. Please do take the time to discuss it together and feel free to contact me should you have any specific questions.

Please could you complete and submit the online form by **Friday 15th October**.

Thank you for your attention in this matter.

Yours sincerely,

Mr J Holmwood
Languages Lead / Teacher of French and Spanish
