

8 November 2021

Dear Kings College Community,

As the Parents, Teachers & Friends Association of Kings College, we are proud to serve our school community. As a newly formed PTFA, we are only just beginning to explore all of the wonderful ways we can support Kings. Our primary objective is to uphold the high standards and values of Kings College, serve the Kings community, and raise funds for the school by hosting a wide variety of fun and exciting events.

We have a wonderful PTFA committee who have served on multiple PTAs over the years, bringing with them a wealth of experience. We also have a dedicated team of parent and staff PTFA members who are working hard to ensure we have an exciting and successful first year.

Recently, we held our first school cake sale day, and we were overwhelmed by the generosity of the Kings College community, who donated a massive amount of cakes and helped us raise £300. Staff, students and visitors from Guildford Grove all had a wonderful time and consumed a lot of cake, as well as supporting our first mini raffle. We are incredibly grateful to everyone who supported this hugely successful event; thank you.

New members are welcome to join the PTFA to share ideas, support events, and help us in our fundraising efforts while strengthening the Kings College community. Our goal is to be the heart of Kings College, and we would love for you to join us. Please reach out to us at kingsguildfordptfa@gmail.com if you'd like to get involved.

This year, we will be holding our first Christmas Fayre on Thursday 16th December at 3pm. This promises to be a fun and exciting event for the entire family, and there will be a wide variety of activities for students, adults and younger siblings alike. There will be a wide variety of games, stalls and raffle prizes to enjoy.

We will be holding a planning meeting for this on Thursday 11th December at 2pm at the school. If you can get involved in the Christmas Fayre in any way, please come along to this meeting. There will be refreshments, and we look forward to meeting you all.

Warmest wishes,

Kings College PTFA
