Wednesday – Lunchtime	All Years - Guitar Club	Guitar Club is run by Mr Holmwood and is for any student who has an interest in playing the acoustic or electric guitar. You can be a beginner or be able to play at a more advanced level - the most important thing is that you enjoy playing and sharing tips with others! We will learn and practice new songs and I'll be led by the Guitar Club members as to which songs you would like to play- so far, we have learnt a number of Rock and Pop songs this year - for example, Vance Joy - 'Riptide', Ed Sheeran 'Perfect' - but the song choice is up to you! You do not need to have your own guitar as we have plenty at school, but you can bring in yours if you prefer. Look forward to seeing you there!	12.35pm – 1.10pm	LC2 - HOJ

	Year 7 and 8 Dungeons and Dragons	<p>Dungeons and Dragons is a collaborative table-top role-playing game that allows players to work as a team towards a common goal. This goal will normally result in a resolution of a fantastical conflict from their characters point of view.</p> <p>The game itself involves the use of mathematics (e.g. simple addition of dice rolls), English (e.g. the ability to be able to tell their character's story), Art (e.g. within the creation of images or miniatures of their characters). There are ample opportunities for those able or willing to role play or to dramatise their characters for example by using character voice.</p> <p>It also builds bonds of friendship, trust, responsibility, respect and a sense of community. There is literature that states that 'RPGs have been creating a stronghold in the mental health profession due to the gameplay mechanics and the ability to help participants.'</p>	3.15pm – 4.15pm	224 – JOI
