### 1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which pupils with disabilities can participate in the curriculum
- Improve the physical environment of the school to enable pupils with disabilities to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to pupils with disabilities

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

At Kings College, we are committed to ensuring equality of education and opportunity for staff, students and all those receiving services from the College, irrespective of disability. The achievement of all staff and students will be monitored on the basis of disability and we will use this data to raise standards and ensure inclusive teaching. We will aim to provide our students with a firm foundation which will enable them to fulfil their potential, regardless of disability. We will seek to eliminate unlawful discrimination against students and staff by adhering to our duties as an employer under the legislation. The plan will be made available online on the school website, and paper copies are available upon request.

- We believe that diversity is a strength which should be respected and celebrated by all those who learn, teach and visit here.
- We aim to identify and remove barriers to students with a disability in every area of College life.
- We have high ambitions for our students with a disability and expect them to participate in all aspects of College life.
- Our commitment to equal opportunities is driven by the need to ensure the College:
  - sets suitable learning challenges
  - responds to students' diverse needs
  - overcomes potential barriers to learning and assessment for individuals and groups of students.
- We will work actively to promote equality and foster positive attitudes and commitment to an education for equality. We will do this by:
  - promoting equality of opportunity
  - eliminating unlawful discrimination

- eliminating disability-related harassment
- promoting positive attitudes towards disabled people
- encouraging disabled people's participation in public life
- taking steps to take into account people's disabilities, even when that involves more favorable treatment

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.

## 2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments, such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a pupil with disabilities faces in comparison with a pupil without disabilities. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

This policy complies with our funding agreement and articles of association.

### 3. Action plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.
