Kings College Languages Department – Curriculum Intent							
<p>The Languages Department offers a broad KS3 and KS4 Spanish and French curriculum which offers the following:</p> <ul style="list-style-type: none">• The teaching of a wide variety vocabulary, expressions and grammar through engaging topics and sentence building techniques in order to empower students to speak, read, listen and write in the target language, the primary aim being that students are able to communicate with each other, their teacher and native speakers in the target language• Throughout their language studies students will not only improve their reading, listening, writing and speaking skills in the target language but also learn about the global context and culture of the Hispanic and Francophone world• An understanding of the importance of Languages in the world and the opportunities they open for future employment and travel – yearly language trips overseas also aim to support this understanding <p>Our intent is to challenge, engage, and inspire students in developing and perfecting their Spanish and French so that they gain the ability to communicate in a second language. Ultimately, we are looking to develop their confidence in their ability to communicate in another language and broaden their understanding of other cultures.</p>
